PADANG GRANDSTAND TICKET

Situated on the driver's left, witness the drivers race towards the notorious Singapore Sling (Turn 10) at speeds up to 275km/h. Top off the action with views of iconic landmarks and fuel up on specially curated local and international cuisine at the nearby Portside Hawkers and Dockside Hawkers.

Singapore is one of our favourite destinations for a luxurious Formula 1 weekend. Secure your ticket in the Grandstand at Turn 1 to be in the heart of the action, as the cars blast off the line and accelerate into the first corner. As the first Grand Prix to be held at night, Singapore set a precedent that has been followed by Abu Dhabi, Bahrain, and Jeddah. With glittering skyscrapers and the floodlit harbour as the backdrop, F1 rarely looks better than it does at Marina Bay.

After experiencing the adrenaline of the race under the night skies, you'll retreat to the serene, river-view Grand Copthorne Waterfront, tucked away from the hustle and bustle of the city.

This award-winning hotel is located along the Singapore waterfront, a short drive from attractions such as Sentosa, Orchard Road, Chinatown and Universal Studios. Floor-to-ceiling windows enhance city or river views and rooms include complimentary WiFi. Excellent international cuisine is available, from contemporary Italian grilled dishes to traditional Chinese classics, and theatrical show kitchens provide an integrated buffet dining experience. On-site activities include a swimming pool, Jacuzzi and tennis courts.
